

# ***Where Will These Children Go To School?***

*Handwritten: "Handwritten: 'Where Will These Children Go To School?'"*

A private developer has an application before the Zoning Board to build ~~22~~ three family homes on South St. (between Van Buren & Pulaski, Clifford & South Sts.. These 66 homes will be in the Ann St. School District, and the children of these families will go to that school. That could mean over 130 new children, who would attend Ann St. School.

Ann St. School is already tremendously overcrowded. It is scheduled to receive modular classrooms to ease the overcrowding. As the body responsible for long range planning and services, how can our City government allow this to happen?

The presence of organized and vocal residents HAS been able to make a difference on these issues which are important to our community. PLEASE ATTEND THIS IMPORTANT MEETING, SHOW YOUR SUPPORT, VOICE YOUR CONCERNS.

**Zoning Board,  
City Hall, 920 Broad St.  
Thursday, Sept. 13, 7:00 PM**
